About Salon 08:

Salon 08 is an annual contemporary art exhibition produced by Matt Robert Arts in collaboration with London's most exciting venues. This year, working in partnership with VINEspace gallery, located at the heart of the thriving East London art scene, Salon 08 features 62 artists, handpicked from over 900 applications by a panel of prominent art experts.

This year's selection panel consisted of Kate Jones, art collector and patron, Cath Ferguson, artist, lecturer, writer and curator, and Andrea Tarsia, Head of Exhibitions and Projects at the Whitechapel Gallery.

Matt Roberts Arts is a not-for-profit organisation based in South London, dedicated to supporting the professional development of artists, and creative practitioners. The annual Salon show creates a platform for artists to develop new work to be seen by an audience of their peers as well, as invited collectors and curators.

The Private View for Salon 08 will take place on Thursday 4th of December with the exhibition remaining open until Sunday 21st December.
