DRAWING NOW

Between the Lines of Contemporary Art

By TRACEY

An exhibition in book form, this showcase of the best of drawing now features one hundred works by almost fifty artists including Susan Hauptman, Paul Noble, Jeff Gabel, Tracey Emin, Jane Harris, Julia Fish, Cornelia Parker and Jerwood Drawing Prize winner Sarah Woodfine.

Carefully 'curated' with many new drawings specifically commissioned for the volume, the book also includes an Introduction by the Editors which lays out the themes underpinning this diverse and exciting selection of work. With a revival of interest in drawing in recent years, *Drawing Now* is a timely collection of the work of artists intent on giving a contemporary twist to the most traditional of forms.

TRACEY is an online peer reviewed journal, hosted by Loughborough University (School of Art and Design) that publishes and disseminates material concerned with contemporary drawing.
